Request to Provide Digital Sharing Tools

About the Service/Feature

It is assisting government entities to adopt digital participation tools provided to implement the principles of the UAE digital government. The service allows entities to use an interactive platform to develop services, policies and projects based on the feedback of the public.

Service steps

Step 1 → Log in using the UAE Pass
Step 2 → Submit the service application
Step 3 → Appointment of coordinators to use the service - minimum 2
Step 4 → Obtain the credentials to log into the new coordinators account on sharik.ae
Step 5 → Hold an introductory meeting with the coordinators to introduce the tools available on the platform and their tasks
Step 6 → Provide the coordinators with the manuals and standards
Step 7 → Training of coordinators on the service
