- The number of hours registered in the semester should not be less than (15) credit hours for BA, except the following cases:
  - o Lack of courses for registration. An evidence should be submitted to the ICT Fund.
  - o Summer semester
  - o The student's last semester
- The period of study must not exceed 5 years for BA students, 2 years for full-time Master students, and 3 years for part-time Master students.

### Students Stipend System

- BA/undergraduate degree students

The scholarship student enrolled in the BA/undergraduate program is granted stipend on a semester basis. At the end of each semester, a stipend of AED 5,000 will be deposited of which AED 2,000 will be deducted and deposited in a special account with the ICT Fund. The deducted amount will be paid to the student upon graduation and adherence to the scholarship stipulated terms.

- Master's/postgraduate degree students

The scholarship student enrolled in Master's/postgraduate program is granted stipend on a semester basis. At the end of each semester, a stipend of AED 10,000 will be deposited of which AED 4,000 will be deducted and deposited in a special account with the ICT Fund. The deducted amount will be paid to the student upon graduation and adherence to the scholarship stipulated terms, on the condition that he/she is registered in a full-time study program.

The stipend will be suspended in the following cases:

1. Not registering in the semester, including the summer semester
2. Graduation from the university
3. Achieving a cumulative GPA of less than 2.8/4

- **Note:**
- Jobs are not inclusive of the scholarship.
- Stipends are not mandatory.
