## Congratulation

Reaffirming its leadership in the telecommunications sector, the UAE has assumed the chairmanship of the Arab Preparatory Group for the Telecommunication Development Conference, under the umbrella of the League of Arab

States. **Eng. Saif Bin Ghalita** was elected as the Chairman of the group during its first meeting in Jordan.

This appointment strengthens the UAE’s role in coordinating Arab positions and enhancing regional cooperation to support priorities relating to digital development in preparation for the World Telecommunication Development Conference.

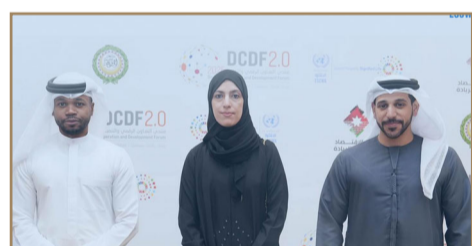

**Abdullah Bin Khadijah** has been appointed Vice Chair of the Regional Preparatory Meeting for the Arab States, organized by the International Telecommunication Union (ITU) in preparation for the World Telecommunication Development Conference 2025 in Baku, Azerbaijan.

This appointment reflects the UAE’s commitment to supporting the joint efforts of the Arab countries and strengthening regional coordination in setting the priorities for the development of telecommunications services in the region.

## TDRA Events

In February, TDRA took part in a host of activities, most notably:

(TDRA) participated in the regional meetings held in Amman, Jordan

Participating in the Regional Development Forum for the Arab States to highlight the national efforts in advancing digital transformation
