DGOV Talks

Discussion sessions from DGOV Talks in which we discuss the most important topics of digital government and technological innovation. We have selected for you in this issue an episode entitled:

How to be a leader?

Have you ever thought about what distinguishes successful leaders from others? In this episode, we host Dr. Jassim Al-Awadhi, an expert in digital transformation and a researcher in the field of artificial intelligence, to explore the concept of leadership and its importance in achieving personal and professional success, especially in the digital age
