

# TDRA IN BRIEF

MARCH 2026

Issue: 137

## TDRA EVENTS

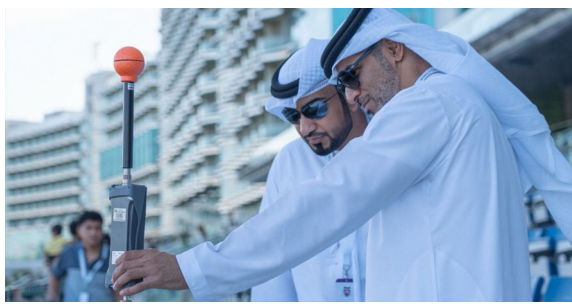

In March, TDRA took part in a host of activities, most notably:

The UAE ranks first globally in fiber to the home and business coverage. Which reflects the quality of digital life, where internet services at home, in government, and across the business sector have become faster, more reliable, and easier to use.

H.E. Eng. Majed Sultan Al Mesmar, Director General of TDRA, praised the strategic role played by telecommunications service providers (Etisalat e& and du) through their continuous investments in developing digital infrastructure, which have directly contributed to strengthening the UAE's global leadership.

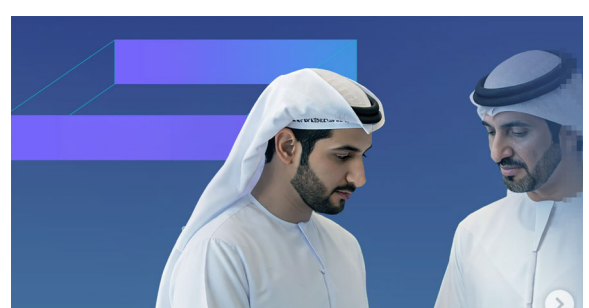

TDRA continues its role in enabling global events by securing spectrum usage during the 30th edition of the Dubai World Cup, ensuring the absence of any harmful interference in frequencies, in compliance with approved standards.
