

# Phishing Assessment

## About the Service/Feature

Measuring the extent to which employees respond to fraudulent messages, by sending fake messages and persuading them to send their private information or open links and attachments. A report is provided to the entity on who opened the email and clicked on the link, and who provided their private information. The report helps in assessing the level of employees awareness on security risks

## Service steps

- Step 1** → Login using the UAE Pass
- Step 2** → Submit the service application
- Step 3** → Receive the Rules of Engagement document from the Authority
- Step 4** → Fill in the service application form and provide the required data
- Step 5** → The application and data will be reviewed by a specialized team at the Authority
- Step 6** → Proceed with the anti-phishing process
- Step 7** → Obtain the employee security risk awareness assessment report
