

Issue Licenses to Provide Telecommunication Services

About the Service/Feature

TDRA is the legal entity responsible for issuing licenses under the Telecommunications Law. According to the Law, operating a public telecommunications network or providing subscribers with telecommunication services and all other types of activities determined by the Board of Directors in accordance with the provisions of the Law requires obtaining a license from TDRA. The service also includes existing licensees who want to renew, amend or cancel their telecom services license.

Service steps

Step 1 → Fill-in the licensing application

Step 2 → Provide all the requirements

If you wish to provide satellite services, please provide us with a no-objection letter from the UAE Space Agency

Step 3 → Pay the service fees

Step 4 → TDRA will review the licensing application

Step 5 → Receive the license
