Information Security Awareness Sessions

About the Service/Feature

The service provides government entities with awareness lectures on different subjects of cybersecurity. It aims to make the public aware of the best practices in this field and related risks.

Service steps

Step 1 → Login using the UAE Pass
Step 2 → Submit for the service application
Step 3 → Fill in the applicant's data table/spreadsheet
Step 4 → Fill in the lecture application form via the lecture reservation system
Step 5 → Review the application by a specialized team at the authority
Step 6 → Get the lecture schedule from the instructor
Step 7 → If the lecture is remote, the lecture link must be sent to the instructor by the applicant
Step 8 → If lecture is in-person, the lecture location details must be shared with the instructor by the applicant
Step 9 → Conduct lectures according to the timeline set by the instructor
