# Request to Provide Digital Participation Tools

### About the Service/Feature

It is assisting government entities to adopt digital participation tools provided to implement the principles of the UAE digital government. The service allows entities to use an interactive platform to develop services, policies and projects based on the feedback of the public.

### Service steps

**Step 1** → Log in using your UAE Pass account

**Step 2** → Submit a request form

**Step 3** → Nominate coordinators to use the service from the related department "Corporate Communications"

**Step 4** → Receive the coordinators login data of the new account on "Sharik" platform

**Step 5** → Holding an introductory meeting with the coordinators to introduce the available tools and their functions

**Step 6** → Providing coordinators with the guidelines and standards

**Step 7** → Training the coordinators on the service
