

mSurvey

About the Service/Feature

The service provides a tool for composing surveys for the government entity. That tool enables the entity to reach the target audience and allows the public to provide their opinions easily and transparently.

Service steps

- Step 1** → Register using UAE Pass
- Step 2** → Submit a service request
- Step 3** → Attach all required documents
- Step 4** → Review the application by a specialized team at the Authority
- Step 5** → Get activation of the account for the smart survey system and receive account data
