

## Public Mobile

### About the Service/Feature

Apply for wireless authorization for International Mobile Telecommunications (IMT)

### Service steps

- Step 1** → Fill-in the application form for wireless services authorization available on the website, and attach the required documents electronically.
- Step 2** → TDRA will verify the validity of the request, modify the authorization and coordinate with the concerned authorities (if needed).
- Step 3** → Fees payment as per the invoice and in accordance with the spectrum fees regulation.
- Step 4** → TDRA will issue the wireless service authorization and deliver it electronically to the applicant.
